Unlike most messages you would see here, we don't intend on dropping names. But we do want to make sure each of you that we shared time with this year know that we were thankful for the time we shared, here at home and on the circuit. We renewed friendships, made some new ones and will step down tonight with some really great memories of it all.

So to each, and all, thank you.

But we could not end this with out thanking 2 people that surprised us with their dedication, enthusiasm and spirit. A good deal of this years financial success came from the tireless efforts of our **Imperial Crown Prince** and **Princess**, **Lloyd** and **Southern**. You two really came through for us and we offer you our sincere thanks and respect.

And of course we would just be two old queens doing it again, if it wasn't for the one person we were always behind, the Empress we choose to support, **Empress 29 Vicky**. Girl you did your own thing and it was good. Feel proud of what you did and for what the year accomplished. This will be your legacy. When they talk about this year in the future, remember they will be saying… "during Vicky's year…" and that's a good thing.

So…. Thanks! We had fun and we hope you have to.

The Co-Regent Emperors to the 29th House

Ron Byers **Jim McBride**

Here we are, 30 years in the making. Both of us are sincerely glad each of you took the time to gather with us tonight to celebrate the conclusion of the 29th year.

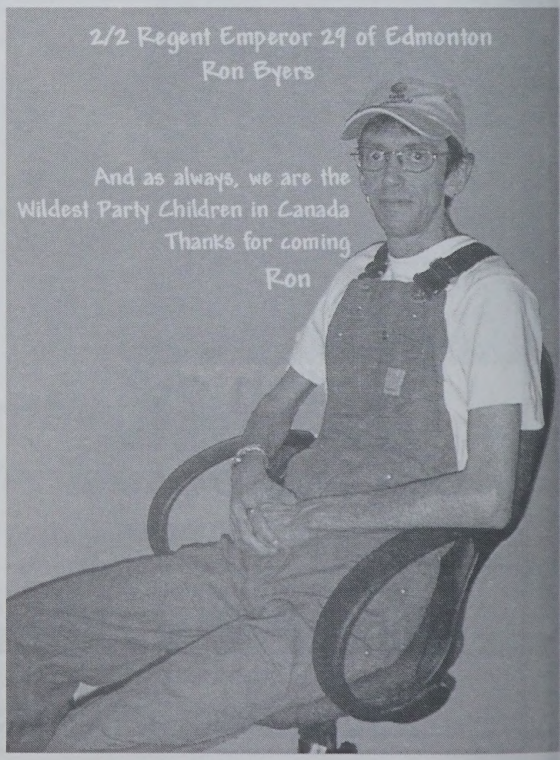

It was interesting, full of fun, had its rough moments and great highlights and along the way we found opportunity to welcome a new path and future for us to embark down.

We hope that in some way, we each were able to contribute to the success that this year will be remembered for, from the future.

As Co-Regent Emperors, we split the role of Emperor providing our own unique strengths and interests when we could. We saw our duty to be one of supporting the Empress and never one of overshadowing her. Tonight, we trust that support provides a solid backdrop to a shining conclusion.

We have no doubt that tonight, and all of Coronation week has been the best one we have had in years. The dynamics of a strong, dedicated and small group of people, committed in their vision of a sustaining court is what brought us here. It is this same vision that has also seen that small group grow so quickly to an organization filled with new talent, friends and hope.

The future of the Court has some fresh minds and aged wisdom to guide it along its next road.

Members and Guests of the Imperial Sovereign Court of the Wild Rose:

As MLA for Edmonton's *Pride Community*, it is an honor to extend my very best wishes to everyone at the 2005 Coronation Ball.

I am delighted to acknowledge the many long-serving members, volunteers and supporters of the Court. I would also like to welcome new members and out of town guests: you are part of a 'royal' Edmonton tradition of service to the gay and lesbian community and your support is appreciated.

Congratulations to this year's HMISM Emperor and Empress and to the outgoing representatives. I salute your entire organization. What could be better than raising thousands of dollars and investing countless volunteer hours in our gay, lesbian, bisexual and transgendered communities than with fabulous frocks?

Again, hearty congratulations and my very best wishes on this most regal occasion. Please also accept my thanks for allowing my participation in this most exquisite annual ceremony - I am proud to be a part of it, and I look forward to seeing everyone in their finery.

If I CAN'T FIND THE WORDS... HOW AM I TO SAY THANK-YOU?

I was naive to believe that saying thank-you to the city of Edmonton would be easy. How do you saythank-you to a city that gave me the faith back in people, gave me faith back in the Imperial Court System and welcomed me into there city. How do I say thank-you to the individuals that gave me this faith and hope back and allowed me to stand with them, who allowed me to be in your city and lives.

IF I CAN'T FIND THE WORDS... DO I KEEP SEARCHING?

I have experienced many wonderful and great experiences in the few years, only those near and dear to my heart find there way back to Edmonton. I never dreamed that home away from home would be Edmonton, that my extended family would be there and that upon every visit I would leave part of me behind. Never to say goodbye, but always "see you later"..

IF I CAN'T FIND THE WORDS... I KEEP TRYING TO GET IT OUT?

I found life and heart and soul and love within this city. **Empress Oprah**, you have graced me with your laughter and heart, **Empress Ida**, your twisted sense of humour, **Emperor Bobby** with your friendship, and **Emperor Robert** with your family name and upon every visit alcohol. To **Chris** you're wonderfully warped and were one of the first people that welcomed me in Edmonton. To **Dezyna** you taught me to keep life fun and exciting. TO **Kitten**, there is more KFC to come? **David**, your just simply adorable, Thank-you! Thank-you to the wonderful bars that have welcomed me, time and time again. The **Roost, Prism** and **Boots**. Thank-you.

IF I CAN'T FND THE WORDS... STEP BY STEP CLOSER TO THANK-YOU?

I was honoured to be allowed to be involved with Reign XXIX, but never expected to be Emperor XXIX 1/2. To **Imperial Grand Duke Chuck Lonestar**, Thank-you for your friendship and laughter and Regina?, to **Imperial Crown Princess Southern Comfort** Thank-you for allowing me be there, to **Imperial Crown Prince Lloyd Blue-Them-All**, you were my first friend in Edmonton, your love and support have been my strength when I have lost my way. I love you my friend and wish you all the best in whatever direction your life takes you.

IF I CAN'T FIND THE WORDS... I FOUND MY WAY!

I hope I have not failed your Majesties. I have had the honour of being your Tough Drag Rum Delicious, your Prince of Lost Souls, your Keeper of the Funds and Emperor XXIX 1/2 of Edmonton. You have bestowed upon the most valuable of any titles and that is Friendship. To **Emperor XXIX Ron**, thank-you for your wisdom and love of life, to **Emperor XXIX Jim**, for the courage and hope to continue and to **Empress XXIX Sticky Vicky** thank-you for letting me part of this crazy ride. I wish you all and the Court of Edmonton all the best and love in the coming future.

This has been a very interesting year to be a Dowager Emperor. We've seen an evolution from near-folding into a strong and vibrant organization once again. For the first time in a long time, we've witnessed an exciting campaign. For the first time in a long time, we've seen a huge influx of new court blood, AND a re-sparking of interest from some more old-school girls. Personally this year, my own enthusiasm about this game we play has been reborn.

I would like to thank the Board and Upper House for giving us these past 12 months, and whoever wins tonight, I know you will keep this fresh momentum going and carry us proudly into another 30 years of being the wildest party children in Canada.

I remain,
President of the College of Monarchs

John DeSmit was a man at ease with life and socialized freely with everyone around him. He loved having a good time and demanded nothing from those he encountered.
